SPECIAL MEETING AGENDA
Canyon Creek Rural Fire District (CCRFD)
Friday – August 22, 2025 at 6:30PM

The meeting will be hybrid: via Zoom and
in person at the fire hall: 7560 Duffy Lane

INSTRUCTION PAGE

Public Comment Guidelines:

- Come to the designated lectern / stand for meeting recording requirements
- Please state your name and address in an audible tone of voice for the record.
- The board welcomes public comment on any matter within the jurisdiction of the fire district, but the board cannot take action on any item that is not already on the agenda.
- There will also be an opportunity in conjunction with each action item for public comment pertaining to that item before the board votes on the matter.
- The Canyon Creek Rural Fire District board meeting attendees are expected to adhere to the Principles of Civil Dialogue as defined in our bylaws (available on CCRFD website)
- Please limit comments to three (3) minutes.

Flowchart tool for clarity of ACTION ITEM process resulting in a vote from the Board of Trustees:

SPECIAL MEETING AGENDA
Canyon Creek Rural Fire District (CCRFD)
Friday - August 22, 2025 at 6:30PM

Action Item(s):

Action Item #2:	Will consider approving the revision to the Standard Operating Guidelines, section “Purchasing Supplies and Maintenance items”
Current SOG	<p>As of the August 4, 2025 release of the document, it reads:</p> <ol style="list-style-type: none"> 1. The Board authorizes the Chief or a designated volunteer fire company member to replace medical and firefighting supplies that are utilized for an incident or authorized training, to purchase fuel, oil, antifreeze, windshield fluid and ant-freeze fuel or air brake additive or maintenance parts as needed to keep all District owned vehicles and pumps ready to respond to an incident using the CCRFD credit card or, where applicable, the CCRFD credit account. 2. In the midst of an incident, the CCRFD Incident Commander may make emergency purchase decisions to enhance the fire ground operations (example a backhoe to help with overhaul operations) not to exceed \$500.00. A full report must be made at the next scheduled Board meeting. 3. The Fire Company is authorized to purchase soda pop and potable water needed for incidents, or training, and to purchase office, cleaning, and grounds maintenance supplies, not to exceed \$50.00 without board approval. 4. Copies of the receipts for the purchase must be submitted to the Board treasurer for payment and accountability. 5. A full report of all purchases must be made to the Board at the next scheduled meeting. 6. All new equipment to be purchased for Fire Company or District operations must be approved by the Board. A special board meeting may be called if the timing of a purchase is critical. Proper public notice is required.
New	<p>Proposed language for SOG amendment:</p> <ol style="list-style-type: none"> 1. The Board authorizes the Chief or fire district member to purchase items needed in compliance with Bylaws “SECTION 113 – Purchase for the Fire District” with the \$100.00 limit per individual purchase. This includes but is not limited to: soda and water needed for the fire hall; food and beverages needed at incidents or authorized trainings; and office, cleaning, and building / grounds maintenance supplies. 2. Exceptions to the \$100.00 limit for individual purchases which do not require Board approval per purchase and stay within the approved budget are authorized for the following regular items: <ol style="list-style-type: none"> a. Firefighting supplies (utilized for an incident or authorized training) b. Medical supplies and medications c. Vehicle maintenance (fuel, oil, fluids, air brake additives, maintenance parts) d. Wildland PPE for active volunteers (including but not limited to: uniform shirts, pants, helmets, gloves, fire shelters and packs) 3. In the midst of an incident, the CCRFD Incident Commander may make emergency purchase decisions to enhance the fire ground operations (example a backhoe to help with overhaul operations) not to exceed \$1,000.00. A full report must be made at the next scheduled Board meeting. 4. Method of payment can be either a CCRFD issued credit card, charge to a CCRFD credit account, or submit receipt for reimbursement. While established credit accounts are acceptable as preferred vendor(s), there is an expectation for due diligence efforts to be made to review competitive pricing. 5. Copies of the receipts for all purchases must be submitted to the Board treasurer for payment and accountability. 6. All new equipment to be purchased for Fire Company or District operations must be approved by the Board. A special board meeting may be requested if the timing of a purchase is critical. Proper public notice is required.
